

Mulvey, Thomas

[Under-Secretary of State]

April 1916
P.M.

DEPARTMENT OF THE SECRETARY OF STATE
OF CANADA.

Ottawa, 27th April, 1916.

Sir,

The Department has received a letter written by Mr. H. Forster Morley, Director of the International Catalogue of Scientific Literature, addressed to "The Secretary of the Regional Bureau for Canada." I understand that your predecessor was chairman of this bureau. There is nothing on the files of the Department, however, to show that there is an existing organization bearing this name, or who the regional secretary may be. I shall be glad if you can afford me any information on the subject.

I have the honour to be,
Sir,
Your obedient servant,

H. Forster Morley
Under-Secretary of State.

R.A. Falconer, Esq., C.M.G.,
President, The University of Toronto,
Toronto.

May 2nd, 1916

Thomas Mulvey, Esq.,
Under-Secretary of State,
Ottawa.

Dear Sir:

I have made inquiries from Ex-President Loudon concerning the Regional Bureau for Canada to which you refer in your letter of April 27th. I have also spoken to Professor Macallum.

Dr. Loudon has sent me a letter of date, January 14th, 1900, signed by Professor Adami of McGill, but this seems to be the only communication that he has.

Professor Macallum tells me that so far as he is aware the matter has fallen into abeyance.

I would suggest that you might get further information by writing to Professor Adami.

Yours sincerely,

President.
